WELCOME

the church at sugar creek

Welcome to The Church at Sugar Creek! I will miss being with you this morning but look forward to being back home tonight as we continue our study in the book of Daniel. Today you will be blessed to hear one of our own, Bro. Mike Sanders. Mike shared with me how God was leading his heart and I am excited for how He will speak through Mike.

Sheila and I, along with the rest of the church staff and their spouses, are in Nashville with 40 other members of our church family for a "get-away-weekend." This morning we are worshipping at Crosspointe Church. We will be praying for you and invite you to pray for us.

We are grateful for those who have volunteered to lead you in worship. Mr. John Hale, chairman of deacons has agreed to serve the church by coordinating today's worship event. Karen Barker has agreed to lead the praise and worship band. Thank you to each one!

Next Sunday I will return to our sermon series on the use of our senses to draw nearer to God. I will preach from II Corinthians 4:1-6, "Seeing". I hope you will be back!

In honor of your visit with us today, we will make a \$5 donation to IKORE*, our international ministry to children presently in South Asia and West Africa. This ministry expanded from KORE, our church children's ministry which focuses on teaching a Biblical Worldview. In South Asia, we partner with a Girls' Center that gives girls biblical training, educational opportunity, and safety from human trafficking. In West Africa we partner with our village church that we helped start, which focuses on primary (elementary) school preparation for boy and girl preschoolers and lessons from the Bible.

Pray for our church, mission teams, and local partners as we minister to all these children and give them a chance at academic education and a chance for them and their families to respond to the Gospel. Thank God as we celebrate 5 years of IKORE that stays true to our purpose of training children in a Biblical worldview and enhances our overseas church planting efforts.
